

# Y7 collapsible lectern

Modern lecterns - now for you

## Modernize your image and enjoy

You have many events outside your organization? You need a lightweight lectern that you can carry alone? That can be dismantled to take less space? We have the perfect solution for you. This dismantlable model requires no tools! 4 Simple knobs let you put it up in 30 seconds. A front removable plate let you display a logo. You can even roll it away with the optional carrying case with wheels and retractable handle! Great design, great solution.

This is a perfect podium for giving conferences, public presentations or speeches. Simple to use, lots of nice options. (Assembly required).

(shown with carrying case available as an option)
